

The Board of Directors of the Ottawa Inuit Children's Centre has formed the following committees to do some important work this year. We would like to invite parents to contact us if you are interested in joining any of these committees.

Finance and Audit Committee Space for 2

Key responsibility is to make recommendations to the Board concerning the financial stability of the agency, ensure financial policies are in place and being followed, draft and review budgets and review financial reports prepared by the Director of Finance & Administration. If you are interested in this committee, please contact Bronwyn Rees at 613-744-3133 Ext 210

Policy Committee Space for 1

Key responsibility is to ensure that all our policies meet current legislative requirements for human resources, finance, and programs. This committee approves any changes to current policies and/or addition of any new policies. If you are interested in this committee, please contact Carmen Barrieau at 613-744-3133 Ext 215

Bylaw Committee Space for 2

Key Responsibility is to review and make changes to our by-laws - the document describing all legal requirements relative to governance of the agency. If you are interested in this committee, please contact Carmen Barrieau at 613-744-3133 Ext 215

Building committee Space for 2

Key responsibility of this committee will be to work closely with community and staff and other community partners to expand our space meet the growing needs of the agency. As many people are aware we have outgrown our space and we are looking to relocate to make this dream a reality. If you are interested in this committee, please contact Carmen Barrieau at 613-744-3133 Ext 215

If you need further information, please contact Carmen Barrieau at 613-744-3133 Ext. 215 or email cbarrieau@ottawainuitchildrens.com
