

## SPONSOR A FAMILY THIS CHRISTMAS

Have you thought of where your Christmas gift-giving might go this year?  
Please consider the children and families of the Ottawa Inuit Children's Centre.

You can sponsor a family this Christmas, ensuring that they will receive gifts for the children, a Christmas meal, and the joy of knowing that they are cared for. There are as many options as you have ideas.

- **Full Family Sponsorship** - we'll match you with a family with the number of family-members you'd like to provide for;
- **Partial Sponsorship** - just donate what you can and we'll make sure all our families are provided for;
- **Cash Donation** - OICC staff love going out to buy gifts as well, and can make sure families get what's on their kids "wish lists";
- **Gift Cards** - one of the most popular ways of supporting a family, as it means the parents can go shopping to buy their kids gifts or food for their Christmas meal

**Just let us know and we'll make sure your gift gets to a family who needs it most.**

*Last year though the generosity of many individuals and companies, family hampers were delivered to some 40 families in the community representing 138 OICC children and youth. With your help we raised over \$30,000 in cash, gift cards and gifts, and donations of food.*

*We would love to be able to do the same again this year!! Please help us in whatever way speaks to you. It will be gratefully received and will make a difference in the lives of a family who needs such care and support.*

You can donate as an individual, as a family or round up your coworkers and make a workplace donation. Whichever way you choose, know that you will be a part of ensuring that every family in our community wakes up to the magic of Christmas this year.
